

TAN CHONG GROUP

TAN CHONG GROUP

CORPORATE PROFILE

Tan Chong Group began as a distributor of small motor vehicles in the 1950s. Today, the Group is one of the largest national conglomerates involved in a myriad of business activities; from the assembly and marketing of motor vehicles and auto parts manufacturing to property development and IT as well as trading in various heavy machineries, industrial equipment and consumer products in Malaysia and the Indo-China region.

Tan Chong Group is the franchise holder and exclusive distributor of Nissan and Renault vehicles in Malaysia.
